Personal Statement

Motivated and detail-oriented computer science graduate seeking an entry-level position to leverage my programming skills in java, Python, and SQL, contributing to software development and data management solutions for a dynamic organization

Education

Sri Krishnadevaraya university	**Anantapur, Andhra Pradesh**
Bachelor of Technology (B. Tech) in computer science and Engineering with **70%**	2021-2025
Sri Vasavi Junior College	**Dharmavaram, Andhra Pradesh**
Intermediate in Science (MPC) with **88%**	2019-2021

Skills

Programming Languages: Java .
Developer Tools: VS Code, MS Office , Eclipse.
Database: MySQL

Projects

Online Banking System

Developed a banking application for account management, transactions, and balance inquiries.

Key Features:
- Account creation and management (savings, checking).
- Transaction history and secure funds transfer.
- Loan applications and repayment tracking.
- Real-time balance updates and user authentication.

Tech Stack: Java (OOP), MySQL.

Library Management System

Developed a system to manage books, patrons, and borrowing records efficiently.

Key Features:
- Book management with details like title, author, genre, and availability.
- Patron records, including contact information and borrowing history.
- Borrowing and returning system with fine calculation for overdue books.
- Search and filter options for books and patrons.
- Report generation on book availability, borrowing history, and fines.

Tech Stack: Java (OOP), MySQL.

Internship

JAVA Internship (virtual)

CODING RAJA TECHNOLOGIES

May-2024 to June-2024

During my internship, I gained hands-on experience in developing software applications using Java and MySQL. I worked on projects like the **Library Management System** and **Online Banking System**, focusing on object-oriented programming, database management, and implementing core functionalities such as transaction handling, account management, and report generation.

Certificates

➢ Course Completion Certificate in **"Java"**
➢ Internship completion certificate **"JAVA Internship"**.

DECLARATION

I hereby declare that the information provided above is accurate to the best of my knowledge.
